**ONLINE BANKING SERVICES**

**Business Online Banking Services**

Business Online Banking includes the following services; access to accounts, view check and deposit slip images, initiate internal fund transfers, loan payments, & stop payments. Indicate additional services below, if desired. Note that additional fees and documentation requirements may apply.

Wire Transfer     Add     Delete

Initiate domestic and foreign wire transfers online. Create templates, set limits, allow for additional approval by an administrator/other employee. Schedule future-dated or recurring wire transfers. **Soft token or OTP (one-time passcode) is required to initiate transfers.**

Online Bill Pay for Business     Add     Delete

Pay bills online. Set-up payees and vendors, schedule future-dated or recurring payments, include invoiceand/or memo information on each 'check' payment, create e-mail reminders and obtain payment history, generate custom summary and detail reports.

ACH Origination     Add     Delete

Originate ACH Payments or receipts, including payroll direct deposit. Generate ACH individual entries, or upload NACHA formatted files to the bank. **Requires ACH Origination Application, Agreement, and approval. Soft token or OTP (one-time passcode) is required to initiate transactions/files.** Additional fees apply.

Remote Deposit Capture     Add     Delete

Make deposits online - scan & upload checks to the bank for deposit into your account. **Requires additional application and agreement, hardware and software.** Additional fees apply.

Third-Party File Upload Service     Add     Delete

Available to third-party service providers for uploading ACH or other files to the bank. **Requires ACH Origination Application, ACH Origination Agreement, approval, and a soft token or OTP (one-time passcode).**

**ADMINISTRATOR**
